

CURRICULUM VITAE

Name: Dr. Madhuri Milind Patil

Nee Dr. Madhuri Tavnappa Nitwe

Date of Birth: 13th November 1959

Qualification: M.D.; DGO; DFP; FCPS; FICOG (Bombay)

SSC: Mary Immaculate Girls High School, Panaji, Goa. April 1975

Maharashtra state board of Secondary Education Poona Divisional Board

Inter Science: Ramnarian Ruia College, Bombay. Bombay University April 1977

Medical qualification

Degree	College	Year	Attempt
M.B.B.S	Seth G.S.Medical College KEM hospital, Mumbai	1981	1 st
M.D	KEM hospital, Mumbai Seth G.S.Medical College	1985	1 st
DGO	KEM hospital, Mumbai College of Physicians and Surgeons of Bombay - Mumbai	1985	1 st
FCPS	College of Physicians and Surgeons of Bombay - Mumbai	1986	1 st
DFP	College of Physicians and Surgeons of Bombay - Mumbai	1986	1 st , Stood 1 st
FICOG	Indian college of Obstetricians & Gynaecologist of the FOGSI	1996	1 st

Teaching Experience

House Surgeon: 1st March 1983 to 31st August 1984 – 18 Months

Nowrosjee Wadia Maternity Hospital, Parel,
Mumbai

House Surgeon: 1st September 1984 to 31st January 1985

Dr. R.N. Cooper Municipal General Hospital, Juhu, Mumbai

Family Planning Officer: 18th March 1985 to 31st June 1986

Nowrosjee Wadia Maternity Hospital, Parel, Mumbai

Registrar: 1st July 1986 to 30th June 1988

Nowrosjee Wadia Maternity Hospital, Parel, Mumbai

Honorary Assistant Professor at Government Medical College, Miraj , Maharashtra, From April 1996 to 15th June 2003

Private Practice From July 1988 till date.

Started an Infertility and Endoscopy Clinic at Ratna Infertility Clinic in Sangli in January 1993

Present Positions

1. **Clinical Director of Dr. Patil's Fertility & Endoscopy Clinic, Bangalore**
2. **President and Founder Member of Fertility Preservation Society of India (FPSI)**
3. **Vice- President and Founder Member of The PCOS Society of India**
4. **Vice- President Indian Society for Assisted Reproduction (ISAR)**
5. **Chairperson - ASPIRE Special Interest Group (SIG) on Reproductive Endocrinology (includes PCOS)**
6. **Board Member Androgen Excess and PCOS Society (AE-PCOS Society)**
7. **Executive Board Member of the Asian Society for Fertility Preservation (ASFP)**
8. **Executive Member of the Education and Journal Managing Committee of ASPIRE**
9. **Governing Council Member of Indian College of Obstetrics and Gynecology (ICOG) 2021-2022**
10. **Associate Editor Fertility and Sterility an official publication of ASRM from July 2021**
11. **Editorial board 2020-2021- Endocrinology an official journal of "The Endocrinology Society" USA**
12. **Associate Editor – The Onco Fertility Journal (TOFJ)**
13. **Founder Chairperson of Karnataka Chapter of Indian Society for Assisted Reproduction (KISAR)**

14. **Principal, Course Coordinator and Examiner for Fellowship & Certificate course in Reproductive Medicine of Rajiv Gandhi University of health Sciences, Karnataka**
15. **Coordinator and Examiner for Certificate in Reproductive Medicine affiliated to Indian College of Obstetrics & Gynecology**
16. **Member of International Reproductive Medicine Research Network**
17. **Board Member of the Ethics Committee of Divakar's Hospital**

Past Positions

1. **Assistant Editor 2008 – 2013 - Journal of Human Reproductive Sciences- An Official Publication of the Indian Society for Assisted Reproduction**
2. **Editor-in-Chief – Journal of Human Reproductive Sciences- An Official Publication of the Indian Society for Assisted Reproduction since 2013 till date**
3. **Editorial board 2020-2021- Endocrinology an official journal of the international “Endocrinology Society” USA**
4. **Founder Chairperson of Karnataka Chapter of Indian Society for Assisted Reproduction (KISAR)**
5. **Coordinator and Examiner for the ISAR-ASPIRE Certificate Course in Reproductive Medicine**

Memberships of different organisations

1. **Member of ASRM (American Society of Reproductive Medicine) since 1999**
2. **ESHRE Member since 2000**
3. **Member of ASPIRE (Asia Pacific Initiative on Reproduction) since 1996**
4. **Member of International Endocrine Society since 2012**
5. **Life Member of AE-PCOS Society since 2015**
6. **Life Member of International Society for Fertility Preservation since 2015**
7. **Life Member of Asian Society for Fertility Preservation**
8. **Life Member of Mumbai Obstetrics & Gynaecology since 1982**
9. **Life Member of Bangalore Obstetrics & Gynaecology since 2003**
10. **Life Member of Indian Society for Assisted Reproduction (ISAR) Since 1991**

11. **Founder Patron Member of The PCOS Society (India)**
12. **Founder Member Fertility Preservation Society (INDIA)**
13. **Member of The International Society for Mild Approaches in Assisted Reproduction**
ISMAAR since 2011
14. **Member of Abhiyan PCOS**

Awards

1. *Dr Duru Shah Lifetime achievement award from ISAR 2022*
2. *Vidya Vibhushan Award from ICOG 2021*

Experience

- Teaching experience for both Undergraduate and Post- graduate students.
- Performed more than 50 malignancy surgeries
- At Wadia Hospital worked with many renowned Senior Gynaecologist like Dr. M.N. Parikh, Dr. V.N. Purandare, Dr. S.N. Daftary, Dr. R.P. Sonawalla, Dr. R.D. Pandit, Dr. M.D. Hansotia, Dr. Adi Dastur, Dr. V.R Walvekar, Dr. K.M. Ingle, Dr. Shyam Desai, Dr. Praveen Mhatre.
- During my tenure at Wadia Hospital I was trained in routine Obstetrics and Gynaecology, Tuboplasty, Hysteroscopy, Laparoscopy and Perinatology
- Have been part of the organizing committee of several national and international conferences since 1982
- Have successfully organized several national and international conferences since 1990
- Running a Fellowship Program in Reproductive medicine affiliated to Rajiv Gandhi University of Health Sciences, Karnataka since 2007
- Having 6 months certificate courses for post MDstudents in Reproductive Medicine affiliated to Indian College of Obstetrics and Gynecology since 2008
- 12 months certificate course in Reproductive Medicine affiliated to ISAR- ASPIRE since 2014

CERTIFICATE COURSES

1. Workshop in Gamete & Embryo Cryopreservation at Bourn Hall Clinic, Oct 1999
2. Post Graduate Course in Clinical & Practical Haematology, Mumbai, 1984
3. Workshop in Fetal Monitoring.
4. 4th Advanced Course in Clinical Reproductive Endocrinology & Infertility Ares Colloquia Asia Pacific
5. Workshop on Advanced Endoscopic Surgery workshop by Dr. Tinneberg - Germany
6. Fourth Course on Assisted Reproductive Techniques May 1993 at National University Hospital, Singapore.
7. Advanced Endoscopic Surgery workshop by Kurian Joseph & Yap Lap Kee Singapore.
8. Ultrasonography Training Programme arranged by IAHR with Dr.R. Rajan. Kottayam.
9. Training in Micromanipulation in ART at Harley Street Fertility Center London.
10. Certificate course in Basic ART from AMERICAN SOCIETY FOR REPRODUCTIVE MEDICINE (ASRM)
11. Certificate course in Advanced ART from AMERICAN SOCIETY FOR REPRODUCTIVE MEDICINE,(ASRM)

WORKSHOPS ATTENDED

1. ESHRE Campus Workshop on 'The Maternal embryonic interface' Spain, Dec 2010
2. Workshop on Ovulation Induction at Naples Italy
3. Serono Symposia on Controlled Ovarian Stimulation of protocols
4. Serono Symposia on Ovulation Induction at Turkey, 2005
5. 1Serono Symposia on 'Beyond two decades of ART in Asia' at China, 2002
6. Serono Symposia on 'Celebration of 30 years of IVF: New Technology in Reproductive Medicine' at France, 2008

7. ESHRE Campus Workshop on 'Ovarian Reserve-New insights to clinical management' at Italy. April 2008
8. ESHRE Campus Workshop on 'Recurrent Implantation Failure' at Bulgaria. September 2008
9. ESHRE Campus Workshop on 'Early pregnancy Winter Course: Early Pregnancy standards, protocols and guidelines' at The Netherlands. December 2009
10. 7th Workshop on Mammalian Folliculogenesis and oogenesis, Stresa Italy April 2012
11. Ovarian Club II Prague 2012
12. Fertility Preservation Workshop at The International Congress on oncological perspective of FP: Gynecological and Breast Cancer; Berlin – April 2013
13. ASRM annual conference October 2013 - Boston
14. Ovarian Club III Paris November 2013
15. Biomarkers for personalized reproductive medicine Spain April 2014
16. Workshop in Epidemiology Aberdeen Scotland October 2014
17. Ovarian Club IV Paris November 2014
18. Ovarian Club V Hong Kong February 2015
19. International IVI congress in reproductive Medicine Spain April 2015
20. AE-PCOS society annual congress at Siracussa, Sicily, Italy October 2015
21. Annual Congress of International society for fertility Preservation, Shanghai, China November 2015
22. ESHRE Annual Conference Helsinki, Finland 2016
23. ASRM annual conference – Salt Lake city USA – October 2016
24. First annual conference of the Asian Society of Fertility Preservation – Ho Chi Mein City, Vietnam, November 2016
25. Workshop on Ovarian Tissue Cryopreservation - First annual conference of the Asian Society of Fertility Preservation – Ho Chi Mein City, Vietnam, November 2016
26. State Level workshop on PC and PNDT at Bangalore
27. ESHRE Campus – Ageing Ovaries at Greece Athens – May 2017
28. Annual Conference of Asian Society of Fertility Preservation at Shanghai, China

29. Annual Congress of International society for fertility Preservation, Vienna, Austria
30. Workshop on Ovarian tissue freezing and Case Discussion on fertility preservation at the Annual Congress of International society for fertility Preservation, Vienna, Austria
31. Workshop on clinical aspects of Fertility preservation at 2nd Congress of Asian Society of Fertility preservation September 2018
32. FOGSI AICOG Workshop January 2019
33. ISAR 2019 – Workshop on Ovulation Induction
34. ESHRE Campus – The new international PCOS Guidelines – tying the loose ends May 2019 Bilbao, Spain
35. Annual ESHRE conference July 2020
36. Annual ASRM congress and Expo 2020
37. ESHRE Campus - On fertile ground: transferring a healthy embryo to a receptive womb; virtual; 4-6 November 2020
38. ESHRE Campus - Preconception genomic medicine: from risk assessment to precision reproductive medicine; Virtual; 10-11 December 2020
39. ESHRE campus - Reproduction, hormones and the brain Virtual 6th May 2021
40. Online congress on 2nd Future Innovations for Embryologist June 2021

PAPERS PRESENTED AT VARIOUS CONFERENCES --

1. Teenage Pregnancy-- A Health Hazard
27 th All India Obstetric & Gynaecological Conference, Madras Dec 1983
2. Adam Meets Eve Out Of Wedlock -- A Psychosexual Problem
2 nd National Conference of Indian Academy of Juvenile & Adolescent Gynaecology & Obstetrics Ahmedabad March 1984.
3. Role Of Electronic Fetal Heart Rate Monitoring In
Antepartum Fetal Surveillance
28 th All India Obstetrics & Gynaecological Congress, Durgapur Dec 1984.
4. Role Of Fetal Heart Monitoring In Operative Vaginal Deliveries
Annual Conference of the Bombay Obstetric & Gynaecological Society, Bombay June 1984
5. Teenage Pregnancy -- A Health Hazard
4 th National Conference of Indian Academy of Juvenile & Adolescent Gynaecology & Obstetrics . GOA March 1988.

6. Medical Vs Surgical Therapy For Endometriosis - 4 TH Congress on ART & Advances in Infertility Management held at Chennai Feb 97
7. Comparison Of Cc & Gt Therapy In Male Infertility – Madhya Kerala Congress – May 97
8. Endometriosis And Infertility – 42 nd All India Obstetrics & Gynaecological Congress held at Hyderabad in Dec 98
9. Pco And Infertility – Our Experience – 43 rd All India Obstetrics & Gynaecological Congress held at Lucknow in Dec 99
10. Anovulation And PCO - - 7 TH Congress on ART & Advances in Infertility Management held at Delhi Feb 2000
11. ROSI For Male Infertility – Kolhapur endoscopic Conference
12. Multicentric Squamous Cell Carcinoma Of Genital Tract – POSTER—44th All India Congress of Obstetrics & Gynecology , Dec 2000.
13. Fertility after endoscopic treatment of endometriosis – 45th All India Obstetrics and Gynecological congress - Bhuvaneshwar – 2002
14. Endometriosis and Fertility - Endoscopic Vs Medical Management
15. Teenage Pregnancy – A health Hazzard 46 th All India Obstetrics and Gynecological congress - Bangalore – 2003
16. Preventing mother to fetus transmission of HIV with retroviral drugs - 46 th All India Obstetrics and Gynecological congress - Bangalore – 2003
17. Anovulation and PCO – AMOGS congress - Solapur 2003
18. Endometriosis and Infertility - AMOGS congress - Solapur 2003
19. Polycystic ovary and infertility – Our experience – Cutting Edge 2008 at Coimbatore
20. Maturation arrest of oocytes at COGI Paris 2008
21. ‘Maturation arrest of oocytes’ at the Focused Conference on Ovarian mammalian folliculogenesis in April 2012 at Stresa, Italy
22. Role of HSG in the area of ART & Endoscopy at the Annual Conference of the American Society for Reproductive Medicine in Oct 2013 at Boston, USA
23. ‘Use of Co-Culture media – does it improve success in ART? at the Biomarkers Conference in April 2014 at Valencia, Spain

24. 'Is embryogenesis different in PCOS' in Nov 2014 at the Ovarian Club IV , Paris.
25. Outcome of ART in PCOS at AE-PCOS annual conference at Siracuse Sicily
26. Case Report: Conservative Management Of Endometrial Carcinoma In PCOS - With Metabolic Syndrome And Infertility at ISFP annual conference November 2015 Shanghai China
27. Fertility Preservation in Women with Endometrial Carcinoma – November 2016 – first congress of the Asian Fertility Preservation Society, Vietnam

Organizational Skills

- Attended all National & Bombay Society & International Conferences & was One of The Members Of Organising Committee Of Various Workshops both National & Local held at Bombay & Bangalore
- EVERY YEAR ORGANISED CME AND WORKSHOP AT RATNA INFERTILITY CLINIC , SANGLI for 5 YEARS
- IN BANGALORE ORGANISED AN INTERNATIONAL CONFERENCE – CUTTING EDGE EVERY YEAR SINCE 2007
- ORGANIZED ISAR SOUTH ZONE FOCUSED CONFERENCE ON ENDOMETRIUM IN 2007
- INAUGURAL CME of Karnataka chapter of ISAR (KISAR) 2011
- Organizing chairperson Annual conference of KISAR 2011, 2012,2013,2014, 2015
- Organizing chairperson for Three focused symposia every year through KISAR in district places in 2011, 2012, 2013
- In-charge for FOGSI CME's in infertility for the year 2013
- Organizing chairperson for ISAR PG CME's at Bangalore, Ahmedabad, Bhubaneswar Hyderabad in the year 2013
- Scientific chair for the first annual conference of PCOS society (India) in coordination with AE-PCOS society 2016
- Organizing chairperson for Fertiprotect 2016, 3rd annual conference of Fertility preservation society of India
- Organizing chairperson and Scientific chair for the second annual conference of PCOS society (India) in coordination with AE-PCOS society 2017

- Scientific Chair Fertiprotect 2017, 4th annual conference of Fertility preservation society (India)
- In-charge for FOGSI CME's in infertility for the year 2017
- Course Coordinator for the ISAR ART course 2017 – 18
- Course Convener for Ian Donald Workshop on Ultrasound in Infertility
- Organizing Secretary - “Fertility Preservation –“Techniques and Technology” (2nd Annual conference of ASFP and 5th Annual conference of FPSI)
- Scientific chair for third annual conference of PCOS society (India) 2018
- Course Convener for Infertility Workshop at AICOG 2019
- Course Convener for Ian Donald workshop on IUI
- Convener for Course on “The art of ART in PCOS” a hands on certificate course for 6 days in March and September 2019
- CME on Adolescent PCOS March 2019, Bangalore
- Joint organising Chair Person – Cutting Edge 2019
- Organizing Secretary for Masterclass on PCOS in Association with the International Society Of Gynecological Endocrinology at Goa, November 2019
- Organising secretary 4th Biennial South Asian Society for Sexual Medicine Conference, Bangalore , November 2019
- Scientific Chair - 5th Embryology ISAR annual conference
- Organising chairperson for workshop on “Ovulation Induction in PCOS - Overcoming Challenges” on 29th August 2020-
- Organising chairperson for workshop on - Improving pregnancy success in PCOS on 19th September 2020
- Organising Chairperson 5th International Annual conference of the PCOS Society of India 21st and 22nd November 2020
- Organising chairperson for workshop on - Healthy Living - Conquering PCOS on 29th November 2020
- Convenor and Organising Chairperson Masterclass on Freeze all by the PCOS Society India

- Track Leader for Infertility ORIGYN -2.0
- Organising Chairperson for the 6th Annual Conference and workshops of The PCOS. Society online September 2021
- Scientific Chair for the Annual ISAR Conference held in August 2022
- Scientific Chair for the Annual Conference of PCOS. Society September 2022
- Organising Chairperson Fertiprotect 2022 held at Kochi between 16 – 18th December 2023
- Convenor Masterclass on ART by the PCOS Society India February 2023
- Organising Chairperson of the 8th annual conference of the PCOS. Society and 3rd regional conference of ASPIRE in collaboration with ISAR and KISAR
- Organising Chairperson Fertiprotect 2023 held at Anand between 30st September and 1st October 2023

PRIZES FOR PAPERS AND POSTERS

1. DR.R.G.Dhaygude Memorial Second Prize in Drawing Competition.
2. DR.K.M.Masani Prize for my Paper `Role of Electronic Fetal Heart Rate Monitoring Antepartum Fetal Surveillance`.
3. Prize for my Paper `When Eve meets Adam Out of wedlock a psychosexual problem` 2nd National Conference of Indian Academy of Juvenile & Adolescent Gynaecology & Obstetrics .
4. Prize for my paper `Medical Therapy in Male Infertility`.
5. C.S.Dawn prize for my paper Endometriosis And Infertility –42nd All India Obstetrics & Gynaecological Congress held at Hyderabad in Dec 98
6. Teenage Pregnancy – A health Hazard 46th All India Obstetrics and Gynecological congress - Bangalore – 2003
7. Anovulation and PCO – AMOGS congress - Solapur 2003

WRITTEN CHAPTERS IN

1. Tamoxifen citrate for ovulation induction. Manual of Ovulation Induction: First Edition. Jaypee.

2. First trimester - ART conception. The First Trimester. Prism Books. 2002. India.
3. Approach to subject with adolescent hypermenorrhea – Problems of adolescence
4. How do Iatrogenic multiple pregnancies complicate perinatal care?
5. Safety aspects of Endoscopy –Endoscopy in infertility
6. Setting-up an ART laboratory –Laboratory manual in assisted reproductive Technology
7. Iatrogenic factors in infertility – Infertility Practical Insights in management
8. IUI in viral Disease – FOGSI Focus on Intrauterine Insemination
9. Unexplained Infertility. Insights into infertility Management. Jaypee. 2012. India.

45. Setting up an ART laboratory. Principles & Practice of Assisted Reproductive Technology. Volume 2: IVF & Laboratory aspects of Andrology. Jaypee. 2014
46. Clinical implications of luteal phase support
47. Recurrent Pregnancy Loss
48. Collection of Case Reports. Your Infertility dilemmas – the experts final verdict. A FOGSI publication. Jaypee Brothers Medical Publishers. 2008. India.
49. Ovulation Induction protocols for Anovulation, PCOS, IUI and ART cycles.
50. Oral Ovulogens

51. Male Infertility
52. GnRH Agonist vs Antagonist in Ovarian Stimulation.
53. Pathophysiology of PCOS - World Clinics
54. PCOS and Infertility – World Clinics
55. Editor World Clinics on the Issue on PCOS
56. Involved with the making of PCOS modules for certificate exam in PCOS for the PCOS Society India
57. DFI and Recurrent Pregnancy loss – World Clinics on Male Infertility
58. Management of Poor Responders - Principles & Practice of Assisted Reproductive Technology
59. Written Recommendations for fertility preservation in cancer patients
60. Editor Best Practice Recommendations for Infertility Management – ISAR, IFS, FOGS and ACE consensus

GUEST SPEAKER

1. An Infertile Couple - BANHATTI IMA
2. Evaluation Of Infertile Couple -- UGAR IMA
3. Establishment Of Art Clinic In Rural Setup - 11 th Conference of AMOGS Ahmednagar.
4. Medical Therapy In Male Infertility--Madhya Kerala Congress COCHIN.
5. Gonadotrophin Therapy For Ovulation Induction Satara OB/GY Society.
6. Evaluation & Management Of Infertile Couple -Wai IMA.
7. Sperm Separation Technique And Intrauterine Insemination KARAD OB/GY Society.
8. Evaluation Of An Infertile Couple at IMA Miraj.
9. IUI & Its Role In Treatment Of Infertility at Kolhapur OB / GY Society.
10. NEWER ADVANCES IN Treatment Of PCO at Kolhapur OB / GY Society.
11. Heart Diseases In Pregnancy Bangalore OB / GY Society CME.
12. Panel Discussion on Preterm Labour at Bangalore OB / GY Society CME
13. Drug Use In Pregnancy at Dental association meeting

14. Menopause And Osteoporosis – A Clinical Dilemma IMA Sangli - Symposium On Osteoporosis
15. Luteal Phase Defect, Ichalkarangi OB/GY Society
16. Recent Advances In ART - Karad OB/GY society
17. Progesterone For Luteal Phase Defect – Ratna Fertility Clinic CME
18. Tamoxifen For Induction Of Ovulation – ART in Y2K Goa, Oct 2000.
19. Panel Discussion – USG in OB/GY – Karad OB/GY Society
20. Improving pregnancy rates with IUI – Pune OB/GY Society
21. Endoscopic surgery in infertility – International congress on ART and endoscopy – Goa
22. ICSI for all cases of ART – Asia Oceania federation of OB/GY – International Congress – 2002
23. Panel Discussion - Ovulation Induction in difficult situations – FOGSI – 2003
24. Investigations and treatment of infertility – Islampur OB/GY society
25. Panel discussion on Endoscopy and ART – Kolhapur
26. ICSI for Male infertility – CME of Ratna Infertility Clinic Sangli
27. Panel Discussion on Genetics and PNDT act– Karad OB.GY society

28. Evaluation of an Infertile Couple – Jath IMA
29. PCO treatment Modalities - CME of Ratna Infertility Clinic Sangli
30. Panel Discussion on Endoscopy at Kolhapur
31. Treatment of ovulatory disorders – Pune Ob/Gy society
32. Ovulation Induction – Vashi OB/GY society – New Bombay
33. How do iatrogenic multiple pregnancies affect perinatal care – KSOG 2003
34. Increasing success rate with IUI – SOFEM , Bangalore 2003
35. Selecting sperm – 10th National congress on ART & advances in infertility Management, Jodhpur
36. Evaluation of Infertile couple – Bellary OB/GY Society
37. IUI – to Enhance Fertility Hubli Ob/GY society
38. Is LH required for optimal ovulation Induction - KSOG 2004
39. Improving Semen quality –Pune OB/GY & Miraj OB.GY exchange congress

40. Management of PCO – Mysore OB/GY society
41. Unexplained Infertility – Mysore Ob/Gy society
42. Ovulatory disorders – Pune OB/GY society
43. Unexplained Infertility – ISAR traveling Seminar
44. Role of CC in the 21st century 11th National congress on ART & advances in infertility Management Mumbai
45. Panel discussion – GnRh agonist vs. GnRh antagonist for OI in ART 11th National congress on ART & advances in infertility Management Mumbai
46. IUI vs. IVF vs. ICSI 11th National congress on ART & advances in infertility Management Mumbai
47. Evidence for best results at 2nd national satellite conference, Hassan
48. CC as a drug for OI in the 21st century at Mysore OB/GY society meet – Mysore
49. Panel Discussion on freezing fertility at International Congress on Reproduction and contraception, Mumbai
50. Panel Discussion on PCOS at 12th National congress on ART & advances in infertility Management, Bangalore
51. Panel Discussion Problems in ART LAB 12th National congress on ART & advances in infertility Management Bangalore
52. Dealing with OHSS at International congress on mother & fetus
53. Fertility after endoscopic surgery for Endometriosis at Asia pacific congress on egg donation & third party Reproduction Pondicherry 2005
54. Panel Discussion on Ethics in egg donation & third party Reproduction at Asia pacific congress on egg donation & third party Reproduction
55. PCOS in adolescence at Hubli OBGY society meet
56. Role of LOD in PCOS at MARS infertility update
57. PCOS in adolescence – trichy OB/Gy Society
58. Blastocyst Endometrial dialogue – Immunomodulation of Endometrium - Annual Surat OB/Gy meeting 2007-07-07

59. Advanced Stage III & IV endometriosis & ART - Immunomodulation of Endometrium - Annual Surat OB/Gy meeting 2007-07-07
60. Poor Ovarian Response – An ongoing clinical Dilemma – Cutting Edge 2007
61. Aromatase Inhibitors in ART – SMART conference Chennai
62. Oocyte & Embryo donation - SMART conference Chennai
63. Panel Member – for How to reduce the cost of ART - SMART conference Chennai
64. Blastocyst Endometrial dialogue – Immunomodulation of Endometrium ISAR South Zone 2007
65. Panel Discussion on Ovulation Induction – B.E.S.T. Conference Sep 2007
66. Recurrent Implantation Failure - ISAR West Zone 2007
67. Understanding Implantation – IFFS – Delhi 2007
68. Management of PCOS - Coimbatore 2007
69. Round table discussion on Ovulation Induction – Coimbatore – 2007
70. Markers of Ovarian Reserve – Cutting Edge 2008
71. Treatment options in Ashermans syndrome – Bangalore 2008
72. Panel Discussion - OI in ART – Bangalore 2008
73. Panel discussion – Dilemmas in treatment at IVF – Mumbai Nov 2008
74. Debate - Used judiciously GnRH Antagonist will totally replace agonist for Ovulation Induction RCOG conference – 2008
75. Issue of ovarian hyperstimulation – CUSP 2008
76. Tracking Ovulation in ART and Non ART cycles CUSP 2008
77. The older mother – Does age really matter ACOG 2009
78. Panel Discussion – Endometriosis an Enigma ACOG 2009
79. Panel Discussion - OI and IUI ACOG 2009
80. Moderator for panel on Improving success with IUI Cutting Edge 2008
81. Semen Analysis – IUI hands on workshop - Cutting Edge 2008
82. Panel Discussion - Endometrial Receptivity – ISAR Pune 2009
83. Ovulation Induction – Dhaka Bangladesh - March 2009

84. OHSS - Dhaka Bangladesh - March 2009
85. Moderator for Panel Discussion on Improving Success rate with IUI – BSOG workshop on IUI May 2009
86. Sperm preparation for IUI – BSOG workshop on IUI – May 2009
87. Live demonstration of semen analysis and sperm processing techniques – May 2009
88. Sperm DNA fragmentation and its clinical Implications –Cutting Edge -May 2009
89. Research by non teaching clinicians – 4th National conference on Science of research – Madurai, July 2009
90. Fertility preservation in young cancer patients – KSOG September 2009
91. Enhancing pregnancy rate with IUI – Trivandrum. September 2009
92. Management of poor responders – Trivandrum. September 2009
93. Limitations of conventional markers of ovarian response – Mumbai International conference on Ovary Unravalled. Mumbai. 2009
94. First Line therapy for ovulation Induction - Anti-estrogens and Aromatase Inhibitor – Annual FOGSI conference 2010 - Guwahati
95. Difficulties Encountered at COS in PCOS – ICOG – GOA
96. Prediction and prevention of OHSS- Annual ISAR congress Cochin 2010
97. Panel discussion – Repeated Implantation Failure - Annual ISAR congress Cochin 2010
98. What is new in gonadotrophin stimulation? National conference on Endocrinology and Infertility – Mumbai, May 2010
99. Changing trends in the management of infertility – Oration at Annual Thanjavur OB/GY society annual meeting September 2010
100. Investigation of infertile couple - Thanjavur OB/GY society annual meeting September 2010
101. Panel Discussion – Increasing success rate with infertility treatment Thanjavur OB/GY society annual meeting September 2010
102. Monitoring Ovulation Induction in ART and Non – ART cycles Fertilisation 2010 - IFS Annual conference Nagpur October 2010
103. Panel Discussion – Surrogacy - Fertilisation 200 - IFS - Nagpur October 2010

104. Moderator for Panel discussion on Fertility enhancing endoscopic Surgery - KSOG Endoscopy conference. November 2010
105. Panel Member Controversies in infertility Management – 54th All India Congress of Obstetrics and Gynaecology. Hyderabad. 2011
106. Reproductive Technologies Bangalore February 2012
107. Panel Discussion - Making Ovulation Induction Safer and Yet Effective- ICOG-FIGO conference on Current Opinion. Goa. March 2011
108. Prediction of response to COS at Inaugural Symposia of KISAR. Bangalore. March 2011
109. What's new in Reproductive Imaging – 2nd Malaysian Reproductive Medicine Congress. Malaysia. 2011
110. Moderator for Panel Discussion on 'Controversies in infertility Management - Expert's Opinion'. Cutting Edge. Bangalore. May 2011
111. What's new in Gonadotrophin Stimulation - Advances 2011 Trivandrum. August 2011
112. Recent advances in ART Bangalore August 2012
113. Non surgical management of Fibroids - Advances 2011 Trivandrum. August 2011
114. Panelist for panel discussion on Controversies in Infertility – Advances 2011. Trivandrum August 2011
115. Fertility & Reproductive Aging at Focused Symposia on Ovarian Reserve. KISAR, Bangalore. Oct 2011
116. Monitoring Ovulation Induction in ART & NON ART cycles at LEAP 2011 – Forward to meet the challenge. 31st Annual Conference of Thanjavur OBGY Society. Thanjavur. Oct 2011
117. Ovulation Induction in PCO at LEAP 2011 – Forward to meet the challenge. 31st Annual Conference of The Thanjavur OBGY Society. Thanjavur. Oct 2011
118. Moderator for Panel discussion on "Recurrent Implantation Failure" – LIFE 2011. Bangalore. Oct 2011
119. Moderator for Panel discussion on "Optimizing ART Results" - AIM Conference 2011, Mumbai Nov 2011
120. Speaker on 'Reproductive Ageing' in Indian Fertility Society, Delhi , Dec 2011

121. Chairperson for 'Mild ART should it become the norm?' at 'Optimizing ART outcome through individualized protocols' KISAR-ISMAAR Feb 2012
122. Moderator for 'Stump the Experts – Point counterpoint' at 'Optimizing ART outcome through individualized protocols' KISAR-ISMAAR Feb 2012
123. Speaker on 'Newer approach to COH for IVF-ET' at 17th National conference of Indian Society for Assisted Reproduction held at Raipur. March 2012
124. Speaker on 'Evidence for Timed Intercourse vs IUI vs IVF vs IVF' May 2012 KISAR focused symposium Belgaum
125. Tuberculosis and Ovarian reserve – Focused conference on tuberculosis Delhi August 2012
126. Implications of Endometriosis and Fibroids in Infertility? 1st ISAR PG program, October 2012
127. Speaker on 'When is Infertility Unexplained?' at the FOGSI Annual Congress, January 2013 at Mumbai
128. Speaker on 'Embryo Transfer - When and How many?' at the ART Workshop of FOGSI Annual Congress, January 2013 at Mumbai
129. Speaker on 'Recent advances in ART' – ART Workshop at ISAR February 2013, Rourkela
130. Speaker on 'GnRh Agonist verses Antagonist – Effect on treatment outcome' at the ISAR Annual Congress February 2013, Rourkela
131. Panel member for 'Improving success rate with ART' ART Workshop at ISAR Annual Congress – February 2013, Rourkela
132. Speaker on 'Markers of Ovarian Reserve for prediction of response.' at the 2nd KISAR Annual Congress, February 2013 at Mysore
133. Delivered KISAR Oration on 'Recent advances in ART' at the 2nd KISAR Annual Congress, February 2013 at Mysore
134. Speaker on 'Patient selection – in whom and how many?' at the YUVA FOGSI in April 2013, Guwahati
135. Speaker on 'Sperm processing for IUI' at the YUVA FOGSI in April 2013, Guwahati

136. Speaker on 'Agonist and Antagonist in ART' at Fertifocus in April 2013, Coimbatore
137. Speaker on 'Oocyte recovery' at Fertifocus in April 2013, Coimbatore
138. Speaker on 'Ovulation Induction in IUI' at the ISAR PG Program in April 2013 at Delhi
139. Panel member on 'Increasing success rate with IUI' at the ISAR PG Program in April 2013 at Delhi
140. Speaker on 'Monitoring Ovulation Induction cycles' at Cutting Edge Conference, May 2013 at Bangalore
141. Speaker on 'Level of evidence' at the Workshop on Research Methodology at ASPIRE Annual Congress in May 2013 at Chennai
142. Speaker on 'What pitfalls to look for in conducting research studies?' at the Workshop on Research Methodology at ASPIRE Annual Congress in May 2013 at Chennai
143. Speaker on 'Is there a serious Cancer risk in PCOS women?' at the Workshop on Research Methodology at ASPIRE Annual Congress in May 2013 at Chennai
144. Speaker on 'What are the long term metabolic risks in PCOS?' at the ASPIRE Annual Congress in May 2013 at Chennai
145. Speaker on a Debate on 'Azoospermic men should be left alone - Against' at ASPIRE Annual Congress in May 2013 at Chennai
146. Sperm function test and Relevance of Sperm DNA fragmentation – Is it indicated in all cases International Conference on andrology Bangalore May 2013
147. Hormonal evaluation and tests for ovarian reserve – Navi Mumbai annual congress Mumbai May 2013
148. Speaker on 'Can we rejuvenate the ovaries?' at the KISAR Focused Symposia on 'Ovulation Induction and IUI' in June 2013 at Mangalore
149. Moderator for a Panel on 'Increasing success rate in IUI' at the KISAR Focused Symposia on 'Ovulation Induction and IUI' in June 2013 at Mangalore
150. Speaker on 'COH and endometrial receptivity' at the MISAR Annual Conference in June 2013 at Pune

151. Speaker on 'Markers of ovarian reserve for prediction of response – Can the ovaries be rejuvenated?' at CME on Infertility/Medical disorders in pregnancy/Infections in pregnancy held in June 2013 at Nagpur
152. Speaker on 'Understanding the adolescent PCOS – a multifaceted task' at FOGSI-FIGO meet in June 2013 at Hyderabad
153. Speaker on 'Investigating and managing Male Infertility' at ISAR PG program in August 2013 at Ahmedabad
154. Moderator for Panel discussion 'Case scenarios' at ISAR PG program in August 2013 at Ahmedabad
155. Speaker on 'Investigating and managing Male Infertility' at ISAR PG program in August 2013 at Ahmedabad
156. Speaker on 'Intrauterine Insemination – Clinical aspects' at FOGSI Workshop on Ovulation Induction and IUI in September 2013 at Patna
157. Speaker on 'Ovulation Induction with gonadotropins at ISAR PG Program September 2013 at Chennai
158. Speaker on 'Semen Analysis' at YUVA FOGSI September 2013 at Bhopal
159. Moderator for Panel on 'Increasing success rate with IUI' at YUVA FOGSI September 2013 at Bhopal
160. Panel Member for Panel on interesting case Hyderabad September 30 2013
161. Progesterone Role in reproduction – Controversy or Consensus FOGSI infertility committee workshop Delhi September 2013
162. Speaker on 'Hysteroscopy' at IAGE ISGE Conference October 2013 at Mumbai
163. Speaker on 'COS – Oocyte and Embryo quality' at the Inaugural Congress of the Bengal Chapter of ISAR October 2013 at Kolkata
164. Speaker on 'Why endometriosis produces Infertility?' in FOGSI/ICOG conference October 2013 at Bangalore
165. Speaker on 'Semen Analysis' on North zone FOGSI conference in November 2013 at Amritsar

166. Speaker on 'Sperm wash with IUI and establishing an IUI clinic' North zone FOGSI conference in November 2013 at Amritsar
167. Moderator for Panel discussion on 'Increasing pregnancy rates with IUI in November 2013 at Amritsar
168. Moderator for Panel on 'Stump the Experts' at LIFE Conference in November 2014 at Bangalore
169. Speaker on 'Why endometriosis produces Infertility?' Annual Congress of the Indian Fertility Society in December 2013 at Delhi
170. Speaker on 'Optimizing Embryo transfer' at Women Center, December 2013 at Coimbatore
171. Speaker on 'What is different in COS in PCOS patients?' at Annual Congress on the Trivandrum OBGY Society, December 2013 at Trivandrum
172. Speaker on 'Evidence-based treatment of Endometriosis' at Annual Congress on the Trivandrum OBGY Society, December 2013 at Trivandrum
173. Speaker on 'Investigating an infertile female – have we progress further?' at ISAR Annual Congress on, February 2014 at Ahmedabad
174. Speaker on 'Oral ovulogens' Pre-Congress Workshop at ISAR Annual Congress on, February 2014 at Ahmedabad
175. Speaker on 'Keypoints in selection of stimulation protocols to improve results in IVF' at Gynae Endocrinology Conference April 2014 at Delhi
176. KISAR oration on 'COS – does it affect endometrial receptivity' at the 3rd KISAR Annual Congress, May 2014 at Bangalore
177. Speaker on 'Hysteroscopy before ART' at Cutting Edge Conference May 2014 at Bangalore
178. Speaker on 'Role of progesterone in reproduction' at FOGSI Webcast May 2014 at Delhi
179. Speaker on 'Role of Hysteroscopy in Infertility' at the Annual Congress of Indian Association of Gynaecological Endoscopist May 2014 at Bangalore
180. Panel member for 'Endometriosis with Infertility' at Ferring Fertility Forum, Hyderabad, June 2014

181. Speaker on 'Quality control in an IUI lab' at YUVA FOGSI, Mysore, June 2014
182. Panel Moderator 'Increasing success rate with IUI' at YUVA FOGSI, Mysore, June 2014
183. Moderator for Panel on 'Increasing success rate with IUI' Focused Symposia on Ovulation Induction and IUI' KISAR at Davangere. June 2014
184. Speaker on 'Investigating an infertile couple before IVF' at Ferring Fertility Forum, Mumbai, June 2014
185. Speaker at 'Consensus in PCOS' at Indian Fertility Society Workshop, Mumbai, June 2014
186. Speaker on 'Investigating an infertile couple' Workshop on Basic Infertility. FOGSI Workshop. Ludhiana. July 2014
187. Speaker on 'Ovulation Induction for IUI'. FOGSI Workshop. Ludhiana. July 2014
188. Speaker on 'Risks to fertility and options in gynecological malignancy'. Fertility Preservation Society Symposia. July 2014.
189. Oration at the Indian Fertility Society on 'Impact of COS on endometrial receptivity'. July 2014
190. Speaker on 'Sperm processing for IUI' at FOGSI Workshop on 'Ovulation Induction for IUI' July 2014
191. Speaker on 'Definition of PCOS' at YUVA ISAR. Jodhpur. July 2014
192. Speaker on 'Is routine assessment of endometrium necessary before infertility treatment' KISAR Focused Symposia on Endometrium. Belgaum. Aug 2014
193. Speaker on 'Controlled Ovarian hyperstimulation and endometrial receptivity' KISAR Focused Symposia on Endometrium. Belgaum. Aug 2014
194. Speaker on 'Evidence for tubal surgery verses ART'. RAGE Conference. Bangalore. Aug 2014
195. Moderator on 'How to communicate Fertility Preservation with Adult cancer patients – Barriers, Facilitators and Needs' at 1st Annual Conference of the Fertility Preservation Society of India. Sept 2014
196. Speaker on 'Extending Fertility preservation program on Non-oncological conditions' at 1st Annual Conference of the Fertility Preservation Society of India. Sept 2014

197. Speaker on 'Assessment of oligospermic male' at Gyanvarsha – BSOG Annual Conference. Sept 2014
198. Reproductive Technologies – Update. At Christ University, Bangalore. September 2014
199. Speaker on 'Semen Analysis' FOGSI Workshop on Ovulation Induction and IUI. Bellary. Sept 2014
200. Speaker on 'Sperm processing for IUI' FOGSI Workshop on Ovulation Induction and IUI. Bellary. Sept 2014
201. Panel member on 'Stump the Experts' FOGSI Workshop on Ovulation Induction and IUI. Bellary. Sept 2014
202. Moderator for Panel on 'Management for PCOS' at Converse by Cipla, Bangalore. Sept 2014
203. Speaker on GCSF at Fertility enhancement and Management vision Beyond Imagination conference of MSR and MOGS November 2014
204. Speaker on 'Ovulation Induction with IUI ' FOGSI Workshop on Ovulation Induction and IUI. Thanjavur. Nov 2014
205. Speaker on 'Semen Analysis' FOGSI Workshop on Ovulation Induction and IUI. Thanjavur. Nov 2014
206. Speaker on 'Sperm Wash with establishment of IUI LAB ' FOGSI Workshop on Ovulation Induction and IUI. Thanjavur. Nov 2014
207. Speaker on 'Definition of PCOS' KISAR Focused Symposia on PCOS at Mysore. Dec 2014
208. Speaker on 'Increasing success rates in IUI'. ICON 2014 at Coimbatore. Dec 2014
209. Speaker on 'Ovulation Induction in non-ART cases'. ICON 2014 at Coimbatore. Dec 2014
210. Speaker on 'Decreased ovarian reserve – tip of the iceberg. Evaluation and Recommendations for investigations and treatment.' Annual Conference of the Indian Fertility Society (IFS). Pune. Dec 2014
211. Speaker on 'Hyperprolactemia ' OB-GYAN 2014. Kuppam. Dec 2014
212. Panel Member for Panel on Management of male infertility, OB-GYAN 2014. Kuppam. Dec 2014

213. Speaker on 'Interpretation of follicular phase progesterone' at CME on Hormones.
Bangalore. Jan 2015
214. Speaker on 'OHSS – have we found a solution' at the Annual Conference of the Kerala Chapter of ISAR. Calicut, Kerala. Jan 2015
215. Speaker on 'Monitoring ovulation induction cycles' AICOG Pre-Conference Workshop on Ultrasound. Chennai. Jan 2015
216. Speaker on 'Ovulation Induction in poor responders' AICOG ,Chennai. Jan 2015
217. Speaker on 'Thyroid dysfunction and Infertility' at the Webinar by Indian Fertility Society. Bangalore. Feb 2015
218. Speaker on 'Should azoospermic men be left alone?' at 4th KISAR Annual Conference.
Bangalore. Feb 2015
219. Panel Member on 'Endometriosis and Infertility' SURGE Conference. Pune. Feb 2015
220. Speaker on 'Diagnosis of PCOS' at SURGE Conference. Pune. Feb 2015
221. Member on DEBATE on 'ICSI for all – Against the motion' at SURGE Conference. Pune.
Feb 2015
222. Speaker on 'Tips to conserve fertility in endometriosis' at ISOPARB Conference.
Bangalore. Mar 2015
223. Speaker on 'Relevance of Progesterone testing during COS' at ISAR Annual Congress.
Chennai. Apr 2015
224. Speaker on 'Obtaining good eggs for IVF from older women with low ovarian reserve – any new miracles' at Cutting Edge 2015. Bangalore. May 2015
225. Panel Member on 'Recurrent Implantation failure (RIF)' at Cutting Edge 2015.
Bangalore. May 2015
226. Panel Member on 'When should we say Enough is Enough?' at Cutting Edge 2015.
Bangalore. May 2015
Speaker on 'Unusual and Interesting Clinical and Lab cases in ART' at
The Ultimate Advances in Gynaecology. Mumbai. May 2015
227. Metgud memorial oration on "Infertility Management – When to start – when to stop"
June 2015
228. Fertility preservation in patients with cancer patients – MSR KOGS 2015 July 2015

229. Genital tuberculosis – Should the male partner be screened? KISAR focused conference on Tuberculosis July 2015
230. Chairperson for the pre-congress workshop “ Essentials of reproductive endocrinology for every ART specialist – Yuva ISAR Bhubaneshwar August 2015
231. Key points in selection of stimulation protocols to improve treatment outcome - Yuva ISAR Bhubaneshwar August 2015
232. Role of Adjuvants in Ovulation Induction KISAR focused symposia on PCOS September 2015 Mandya
233. OI for IUI September 2015 Mandya
234. Moderator for Panel on Increasing success rate with IUI - September 2015 Mandya
235. Moderator Panel Who should counsel the patient and parents - The Oncologist, Reproductive Specialist or Counselor? 2nd FPSI annual meeting Delhi
236. Investigating an infertile couple – GP CME October 2015 Bangalore
237. Key points in selection of stimulation protocols to improve results in IVF – KASOGA 2015 Mysore
238. Moderator for Panel on optimizing ART outcome - KASOGA 2015 Mysore
239. Moderator for Panel - Management of Poor Responders – What is New? November 2015 at LIFE conference
240. Oxidative Stress and Male Infertility – A clinical perspective November 2015 at LIFE conference
241. Debate Major Role in determining ART Failure Embryologist or Clinician? November 2015 at LIFE conference
242. Stimulation Protocols in Cancer Patients – IFS conference December 2016
243. Moderator for interactive session at Symposia on ART spectrum, Bangalore 24th February 2016
244. Hurdles and way forward in Clinical Research – Clinician’s Perspective at 21st National conference of ISAR Indore February 2016
245. Writing an Abstract / Poster presentation at 21st National conference of ISAR Indore February 2016

246. ART & Epigenetic Disorders: Should we be concerned? at 21st National conference of ISAR Indore February 2016
247. Moderator for Panel on Training in Reproductive Medicine: Opportunities and challenges at 21st National conference of ISAR Indore February 2016
248. Endometrial Markers of blastocyst Implantation – March 2016 Manipal
249. Moderator for Panel on Ethics, law and patient care – what can we expect from the current ART bill? March 2016 Manipal
250. Role of hCG in ovarian stimulation protocols Bengal ISAR March 2016
251. Anti-Oxidant Therapy For Male Sub-fertility - Myth Or Evidence Based? March 2016 BSOG meeting Bangalore
252. Regular evaluation of sperm DNA fragmentation is Important – April 2016 Bangalore
253. Optimizing IVF Outcome by Monitoring serum Progesterone levels during Ovarian Stimulation May 2016 5th Annual conference of KISAR, Bangalore
254. Male factor in RPL at Cutting Edge Bangalore May 2016
255. Panel Member for a panel on Ectopic pregnancy – Cutting Edge May 2016
256. Chairperson and delivered a talk on “Endometriosis still an Enigmatic disease” for the EDGE i.e. Expert Discussion Group on Endometriosis Meeting at Bangalore on 20th May 2016
257. Mastering Embryo transfer technique at CME by SGH Singapore May 2016
258. LPS – IUI and IVF – What works and what does not at CME by SGH Singapore May 2016
259. FET – Protocols and Success at CME by SGH Singapore May 2016
260. IUI Techniques at AAGL Mumbai June 2016
261. Assessing Ovarian reserve in PCOS at first International Conference of the PCOS society (India) Mumbai June 2016
262. Third party reproduction – at the intersection of medics, ethics and law – Indian association of Gynecological endoscopist July 2016 Bangalore
263. Maharashtra Chapter of I.S.A.R Nodal conference, July 2016, Nagpur
264. Prevention of infertility - Advances 2016 August 2016 Trivandrum
265. Fertility presentation and social egg freezing - Mandakini Parihar CME August 2016, Vashi

266. Panel member for panel on OI in PCOS Mandakini Parihar CME August 2016, Vashi
267. Ovarian Stimulation Protocols in Cancer Patients – Fertiprotect 2016, Annual conference of FPS(I) August 2016 Bangalore
268. Management of Poor Ovarian reserve – CME at Baptist Hospital, Bangalore
269. Moderator – Panel on Quality management in the embryology Lab – Annual Embryology ISAR – Anand Gujarat – 6th August
270. Conducted the workshop on Research Methodology at the International federation of Fertility Societies – Greater Noida September 2016
271. Talk On Level of Evidence - Work shop at International federation of Fertility Societies – Greater Noida September 2016
272. Conducted Workshop on USG in Infertility at CUSP 2016
273. Talk on USG and Tubal Patency - Current Status – CISP 2016
274. Webinar on Ovulation Induction in November 2016
275. Conducted Workshop on Andrology at MACORM , Pune, 2016
276. Moderator – for Panel - Stump The Experts MACORM , Pune, 2016
277. Effectiveness of GnRH antagonist in poor responders undergoing IVF MACORM , Pune, 2016
278. When to refer for IVF? MACORM , Pune, 2016
279. Keynote Address - Timed Intercourse verses IUI verses IVF verses ICSI
What is the Evidence? At MACORM Pune 2016
280. COS - Yesterday, Today and Tomorrow November 2016 LIFE
281. Workshop on 'Ovarian Tissue Cryopreservation', at at the 1st Asia Congress on Fertility Preservation held at Ho Chi Minh City, Vietnam on November 2016
282. Reproductive Health of Cancer survivors – How to assess and when to Intervene – AGOICON December 2016
283. Cleavage verses Blastocyst ET. Does Embryo Glue Help? What is the Evidence? IFS annual Conference - Lucknow December 2016
284. Luteal Phase support - Work shop On ART – AICOG 2017 Ahmedabad

285. Moderator Panel – Planning a GT IUI cycle – When, What and How – Infertility workshop
AICOG – 2017 Ahmedabad
286. Moderator – Panel on ovulatory Factors in Infertility - AICOG – 2017 Ahmedabad
287. Pregnancy after Cancer Treatment - BSOG CME – February 2017
288. Conducted FOGSI CME at Thanjavur – March 2017
289. Conducted FOGSI CME at Trichy– March 2017
290. Approach to infertile Adam and Eve: Algorithm simplified with monitoring IUI cycles – at
both Trichy and Thanjavur
291. Adjuvants in OI – at both Trichy and Thanjavur
292. Implications of Fibroid and Adenomyosis in Infertility - at both Trichy and Thanjavur
293. Letrozole for OI – BSOG – March 2017
294. Role of Surgery in PCOS – Vapi – The PCOS society Meeting march 2017
295. Rationale For LH Supplementation During COS – Annual Conference of KISAR 2017
296. Moderator for Panel on Fertility Preservation – KISAR 2017
297. Conducted Infertility Workshop at Miraj and Hubli April 2017
298. Semen Analysis and Beyond – Role of Sperm Function Test - at Miraj
299. Panel discussion on Ovulation Induction – Case based discussion at Miraj
300. Semen Analysis and Beyond – Role of Sperm Function Test at Hubli
301. Panel discussion on Ovulation Induction – Case based discussion – at Hubli
302. Estrogen – ISAR annual conference 2017
303. Poor Ovarian Reserve - ISAR annual conference 2017
304. Male Infertility – A overview – Cuttak Medical college PG Program
305. PCOS Webinar – Mumbai May 2017
306. Conducted FOGSI Infertility Workshop At Bangalore
307. Semen Analysis and Management of Male Infertility – Bangalore May 2017
308. Panel Member for Panel on Ovulation Induction, Bangalore May 2017
309. Panel Member for Case based panel Discussion - Cutting Edge 2017
310. Conducted FOGSI Infertility Workshop At Coimbatore
311. Sperm function test and Beyond - FOGSI Infertility Workshop Coimbatore

312. Moderator - Ovulation Induction Panel - FOGSI Infertility Workshop Coimbatore
313. Expert for Workshop on Ovulation Induction at the 2nd Annual conference of PCOS and AE-PCOS society June 2017
314. Moderator for Panel on Tuberculosis and Infertility – FOGSI-CNN conference, Pune 2017
315. Moderator for panel on Implantation in IUI - FOGSI-CNN conference , Pune 2017
316. Interventions for prevention of OHSS “RESOLVE 2017” July 2017, Bangalore
317. Expert for a panel on “Stump the experts” “RESOLVE 2017” July 2017, Bangalore
318. Keynote address ‘Recent Advances in ART” 17th International conference of Madras Medical Mission Chennai July 2017
319. PCOS and ART – Challenges and solutions – Yuva FOGSI July 2017 – Thrissur
320. Open Forum – Case discussions - Yuva FOGSI July 2017 – Thrissur
321. OHSS – Recognition, Repurcations, and Management – “PROGRESS” July 2017, Chennai
322. Expert for a Panel on PCOS - “PROGRESS” July 2017, Chennai
323. “PCOS & ART – Increasing Efficiency, Reducing Complications” SLCOG – Golden Jubilee congress August 2017 Colombo Srilanka
324. Investigating the Female partner for infertility, Shillong September 2017
325. Panel discussion on Ovulation Induction – Case based discussion, Shillong September 2017
326. Semen Analysis and Management of Male infertility – Nagarcol September 2017
327. Panel of OI – Moderator - Nagercoil September 2017
328. Medicolegal and Ethical aspects of ART – Nagarcoil September 2017
329. Moderator for Panel on PCOS – Annual conference of Academy of Clinical embryologist September 2017 Hyderabad
330. Ovulation Induction in Cancer Patients at Second Shanghai Forum on Fertility Preservation, September 2017, Shanghai
331. Coordinator for ISAR-ART course 4-8th October 2017
332. Coordinator for workshop on ovulation Induction at Gunasheela Memorial conference October 2017
333. Moderator for panel on Managing the PCO patient at Gunasheela Memorial conference

October 2017

334. Moderator for panel on Maintaining safety for ovulation induction in ART at Gunasheela Memorial conference October 2017
335. Debate – Freeze all policy at Gunasheela Memorial conference October 2017
336. Semen Analysis and management of Male infertility at FOGSI CME, Belgaum October 2017
337. Moderator for Panel discussion on Ovulation Induction – Case based discussion at FOGSI CME, Belgaum October 2017
338. When to move from Simple treatments to IVF? At ISAR ART course October 2017
339. Pre-IVF Assessment - At ISAR ART course October 2017
340. Individualized controlled ovarian stimulation for IVF At ISAR ART course October 2017
341. Ovulation Induction Protocols at ISAR ART course October 2017
342. Male Factor Assessment –SA and Beyond at ISAR ART course October 2017
343. Sperm Preparation techniques at ISAR ART course October 2017
344. Endometrial preparation for a recipient At ISAR ART course October 2017
345. Debate - Medicolegal aspects of third party reproduction at Life Conference December 2017
346. Churning out a Pearl paper from ocean of patient data Life Conference December 2017
347. Use of oral contraceptive in infertility at the consensus meeting on Use of oral contraceptives, at Mumbai – December 2017
348. Empty Follicular Syndrome – at Yuva ISAR Ahmedabad December 2017
349. Panel on Ca cervix in Pregnancy at BSOG CME – January 2018
350. Endometrial factors in implantation at second ISAR ART Course January 2018
351. Recurrent Implantation Failure at second ISAR ART Course January 2018
352. Poor IVF Outcome – What to look in Lab? at second ISAR ART Course January 2018
353. Male factor assessment: SA and Beyond at second ISAR ART Course January 2018
354. Azoospermia – assessment of azoospermic Male at second ISAR ART Course January 2018
355. Management of male factor subfertility at second ISAR ART Course January 2018

356. Pre- IVF counselling at second ISAR ART Course January 2018
357. PICS1 at the Masterclass 'ADAM" on andrology organized by ISAR
358. Pre-Implantation Genetic Screening. - at Masterclass 'ADAM" on Andrology by ISAR
February 2018
359. Optimizing IVF Outcome by Monitoring Serum Progesterone levels during Ovarian Stimulation at World Congress on Reproductive Health with Emphasis on Family Planning and Assisted Reproductive Technology and 28th Annual Meeting of the Indian Society for the Study of Reproduction and Fertility (ISSRF-2018) Hyderabad February 2018
360. FP in endometrial cancer FPSI meeting February 2018, JIPMER, Pondicherry
361. Panel Discussion on PCOS and ART outcome at 18th World Congress of ISGE Florence
362. Increasing Success rate with IUI – Moderator for the panel Discussion at CME at Athena,
Mumbai
363. Preventing OHSS –PCOS. Masterclass March 2018 –Mumbai
364. When to move from simple treatments to IVF? at third ISAR ART Course April 2018
365. Pre-IVF assessment - at third ISAR ART Course April 2018
366. Pre-IVF Counselling - at third ISAR ART Course April 2018
367. Recurrent Implantation Failure - Interventions Of Proven Value at ISAR Annual
Conference April 20-18 - Kolkata
368. Oocytes Retrieved: What Matters? Quantity or Quality – Moderator for Panel at ISAR
Annual Conference April 20-18 - Kolkata
369. Fertility Preservation In Young Cancer Survivors - at ISAR Annual Conference April 20-18
– Kolkata
370. Reproductive surgeries verses ART – Panel Member – RAGE conference Bangalore April
2018
371. Understanding the origin of PCOS – SAIDIP – Cutting Edge Deliberations – Bangalore May
2018
372. LH stimulation – when – what and how? ICON 2018, Coimbatore June 2018
373. Adjuvants in PCOS - ICON 2018, Coimbatore June 2018
374. PCOS – A body Image disorder – Third annual conference of PCOS Society India –

Gurugram June 2018

375. Hypothyroidism – As differential diagnosis of PCOS - Third annual conference of PCOS Society India – Gurugram June 2018
376. Is PCOS a inflammatory Process - Third annual conference of PCOS Society India – Gurugram June 2018
377. Role of Adjuvants for OI in PCOS – Hope Conclave – Bangalore, July 2018
378. Management of different case scenarios in PCOS – Moderator, Hope Conclave – Bangalore, July 2018
379. Management. Of Unexplained Infertility - Algorithm Creation – ISAR Conclave, Udaipur August 2018
380. Genetic Problems in Infertility – “RESOLVE” Bangalore, August 2018
381. Counselling on the use of Advanced tests and Technology – “Advance 2018” at Trivandrum, August 2018
382. Understanding the origin of PCOS – PCOS CME , Mumbai, August 2018
383. Base Line scan in Infertility - Ian Donald Course on ultrasound, Bangalore August 2018
384. Ultrasound evaluation of the tubes - Ian Donald Course on ultrasound, Bangalore August 2018
385. Monitoring ovulation Induction cycles - Ian Donald Course on ultrasound, Bangalore August 2018
386. Interventional ultrasound in infertility - Ian Donald Course on ultrasound, Bangalore August 2018
387. Early pregnancy assesment after infertility treatment and correlation of TV USG with Beta hCG - Ian Donald Course on ultrasound, Bangalore August 2018
388. Letrozole for ovulation Induction, Moderator, Bangalore, September 2018
389. Breast Cancer – Role of Fertility Preservation - Fertility Preservation “Techniques and technology”, 2nd annual conference of Asian society for Fertility Preservation and 5th Annual conference of Fertility preservation society India, Delhi, September 2018
390. Optimizing results in ART – ISAR ART workshop, Mumbai, October 2018
391. Panel Discussion – Endocrinology in PCOS – Moderator, at PCOS CME, Mumbai, October

2018

392. Dr. Gunasheela Memorial Oration "Counseling On The Use Of Advanced Tests And Technology In ART" at Gyanvarsha, BSOG Annual Conference, Bangalore, October 2018
393. Explaining the Unexplained - at "Life Conference" Bangalore November 2018\
394. Gene Polymorphism in female reproduction – Embryology ISAR, Jaipur, December 2018
395. Emerging evidence and new approaches to manage POI, "Fertivision" , Kochi December 2018
396. Rationale for LH supplementation in COS protocols _ "Fertivision" Kochi December 2018
397. Monitoring Ovulation Induction Cycles – AICOG 2019, Bangalore, January 2019
398. Stimulation protocols for Elderly women for ART – AICOG 2019, Bangalore, January 2019
399. Management of infertility in PCOS – Challenges and opportunity – NIRRH Mumbai, January 2019
400. Debate – COS in IVF – Is less better than More –at 2nd conference of Mastery & Excellence – Focused on Ovulation Induction in Different Scenarios" ; Bangalore, February 2019
401. Modification of Ovulation Induction Protocols in FP - – Focused on Ovulation Induction in Different Scenarios"; Bangalore, February 2019
402. Diagnosis and investigations in PCOS- CME on Beat PCOS at Thane February 2019
403. Patient selection for IUI- In whom and how many? - Ian Donald Course on IUI, Bangalore February 2019
404. Investigations that are essential before IUI - Ian Donald Course on IUI, Bangalore February 2019
405. Luteal phase support in IUI cycles – Is it essential - Ian Donald Course on IUI, Bangalore February 2019
406. Live Scans of Follicle Monitoring - Ian Donald Course on IUI, Bangalore February 2019
407. Basic Semen Analysis – Ian Donald Course on IUI, Bangalore February 2019
408. Sperm processing for IUI - Ian Donald Course on IUI, Bangalore February 2019
409. Setting up an IUI Lab - Ian Donald Course on IUI, Bangalore February 2019

410. Monitoring Ovulation Induction cycles- Ian Donald Course on IUI, Bangalore February 2019
411. Sperm Preparation techniques - Live Demonstration - Ian Donald Course on IUI, Bangalore February 2019
412. Evidence for Reproductive Surgery in Female Infertility – 18th annual conference of the “Association of Fellow Gynecologist” at Mumbai, February 2019
413. Risk to Fertility and Options in Gynaecological Malignancies - “Global Conference on Reproductive Health with Focus on Occupational, Environmental and Lifestyle Factors” organized by ISSRF, Delhi February 2019
414. Physiology of Ovulation at ISAR 2019, Mumbai, March 2019
415. Understanding the origin of PCOS - at ISAR 2019, Mumbai, March 2019
416. Understanding the origin of PCOS Assessing ovarian reserve- Is it different in PCOS? - Hands on Certificate course organized by PCOS Society “The Art of ART in PCOS” Mumbai, March 2019
417. Difficulties encountered in COS in PCOS - Hands on Certificate course organized by PCOS Society “The Art of ART in PCOS” Mumbai, March 2019
418. Workstations / Practical demonstration - Hands on Certificate course organized by PCOS Society “The Art of ART in PCOS” Mumbai, March 2019

Semen Preparation for IUI

IUI procedure

IUI lab

Follicular monitoring

419. Luteal support in IUI / ART cycles - Hands on Certificate course organized by PCOS Society “The Art of ART in PCOS” Mumbai, March 2019
420. Oocyte retrieval, Preparation, Anesthesia, Procedure- how best to do? - Hands on Certificate course organized by PCOS Society “The Art of ART in PCOS” Mumbai, March 2019
421. Practical Demonstration /Videos - Monitoring of the IVF cycle with ultrasound - Hands on Certificate course organized by PCOS Society “The Art of ART in PCOS” Mumbai, March 2019

422. Workstation – Hands on OPU and ET - Hands on Certificate course organized by PCOS Society “The Art of ART in PCOS” Mumbai, March 2019
423. Problem Solving. Interaction with the delegates - Hands on Certificate course organized by PCOS Society “The Art of ART in PCOS” Mumbai, March 2019
424. Diagnosis and investigations in Adolescent PCOS with adolescent phenotype – CME on Adolescent PCOS organized by PCOS Society India at Bangalore, March 2019
425. Moderator for panel on “Sperm - A very sophisticated toolbox “– Cutting Edge 2019
426. Moderator for panel on “Selection of stimulation protocols to improve results in IVF “ – Cutting Edge 2019
427. Moderator for panel on “Repeated implantation failure – What Next? “– Cutting Edge 2019
428. Endometrial Receptivity Assay (ERA) - Novel approach in RIF at National Congress on Technology, Advances and Infections in Obstetrics and Gynaecology , June 2019, Hyderabad
429. Panel Member. - ART - Controversies to Consensus at National Congress on Technology, Advances and Infections in Obstetrics and Gynaecology , June 2019, Hyderabad
430. Keynote address on Counselling for newer tests and Technologies at Maharashtra Chapter of Indian Society of Assisted Reproduction Nodal conference, Shirdi, June 2019
431. Panel Member for Panel on Case discussions in infertility Technologies at Maharashtra Chapter of Indian Society of Assisted Reproduction Nodal conference, Shirdi, June 2019
432. Cancer and its treatment – Effects on Male and female Reproductive system – at CME on fertility Preservation Chennai July 2019
433. Panel Discussion – Fertility Preservation (FP) – Case Presentations - at CME on fertility Preservation Chennai July 2019
434. Moderator for Panel on Ovarian reserve in PCOS at the PCOS Society Webinar at Mumbai in July 2019
435. Invited speaker at TAPISAR CME - Counselling for advanced tests and technologies at Chennai July 2019

436. Invited speaker at TAPISAR CME – Management of poor Responders at Chennai July 2019
437. ISAR TOG Fertility Focus - Endometrial Preparation – July 2019 at Goa
438. Selecting COS protocol based on response prediction – at Maharashtra Chapter of ISAR Annual conference , August 2019
439. Moderator for Panel on How would you stimulate for IVF ? at Yuva ISAR Agra August 2019
440. Keynote Address on Fertility Preservation in cancer patients – an overview at Fertiprotect 2019 an annual conference of the fertility preservation society
441. PCOS ART course September 2019 - Diagnosis of PCOS
442. PCOS ART course September 2019 – Assessing ovarian reserve
443. PCOS ART course September 2019 – Ovulation induction in Non- ART Cycles and ART cycles
444. PCOS ART course September 2019 - IUI- why, when and how
445. PCOS ART course September 2019 - Videos on sperm Preparation techniques
446. PCOS ART course September 2019 - Pre- IVF counselling
447. PCOS ART course September 2019 - Pre- IVF Reproductive Surgery
448. PCOS ART course September 2019 Workstation – Hands-on experience on Simulators - OPU and ET
449. ASRM 2019 – Talk Controversies and Pitfalls in Diagnosis of Genital Tuberculosis
450. ASRM 2019 – Moderator for Luncheon round table on fertility preservation.
451. Hyperandrogenaemia and Insulin Resistance- which comes first? At PCOS Society Master class in association with International Society For Gynaecological Endocrinology (ISGE)
452. Case Based Discussion: Testing Beyond Semen Analysis- What is the Evidence and Management Options? At 4th Biennial South Asian Society for Sexual Medicine Conference, Bangalore, November 2019
453. Convenor of the Masterclass on Errors in ART at the 5th Annual Embryology Conference 2019

454. Concluding remarks on Errors in ART at the 5th Annual Embryology Conference 2019
455. Keynote on Effect of COS on endometrial receptivity, Conventional verses Modern Markers of endometrial receptivity at the 5th Annual Embryology Conference 2019
456. Moderator for Panel on Managing a medically complicated IVF patient at the 5th Annual Embryology Conference 2019
457. Luteal Phase Support – Current Evidence January 2020 Surat Ob/Gy Society
458. Moderator for Panel Discussion on Optimizing ovulation Induction January 2020 Surat Ob/Gy Society
459. Effect of Cancer and Its treatment on Fertility at the annual meeting of Indian Society for the Study of Reproduction and Fertility (ISSRF) at Katra Kashmir on 16th February 2020

460. Addressing the Dilemmas of fresh and frozen embryo transfer at Tamilnadu chapter of ISAR on 22nd February 2020
461. Convenor for workshop on oocyte and ovarian tissue cryopreservation at the annual ISAR conference at Hyderabad on 6th March
462. Moderator for Panel Discussion on oocyte and ovarian tissue cryopreservation at the annual ISAR conference at Hyderabad on 6th March
463. Ovulation Induction in IUI at the annual ISAR conference at Hyderabad on 6th March
464. Evidence for Oocyte, Embryo and Ovarian Tissues Cryopreservation for Fertility Preservation at FPSI CME on 15th March at Kolhapur
465. Fertility Sparing Surgeries in Gynaecological Malignancies at FPSI CME on 15th March at Kolhapur
466. Handling thin endometrium – May 2020 ISAR web conference
467. ART practice during COVID-19 era – June 2020
468. Guidance for fertility services during the COVID – 19 Pandemic KISAR webinar on COVID 19 June 2020
469. Overview of COVID – 19 in India and necessity of guidelines – Webinar June 2020
470. FOGSI Web Panel Discussion on Infertility – Panelist
471. OI in PCOS – BSOG webinar July 2020

472. Freeze all - Is it an option for All – ISAR Webinar
473. COS in ART – KISAR Webinar August 2020
474. Impact of treatment in the pre-stimulation phase - PCOS Society workshop August 2020
475. Factors affecting implantation PCOS Society workshop September 2020
476. Management of Endometriosis September 2020
477. Integration of fertility preservation in oncological practice September 2020 FPSI Annual conference
478. Medical treatment of thin Endometrium – ASPIRE webinar titled “Thin Endometrium” October 2020
479. Fertility preservation in trans gender – International conference of transgender, October 2020
480. LPS in FET cycles – Webinar October 2020
481. Panel on OI and IUI – at the conference “Womens health care in the current challenging Scenario” by AOGD, October 2020
482. Fertility Preservation – The new Normal, November 2020
483. Panel on Challenging cases in ART at MSR Nodal conference December 2020
484. Feto maternal immune cross talk- consequences for pregnancy at Legends of ISAR May 2021
485. Recent updates in ovulation Induction - at ORIGYN a conference by ARTIST and FIGO November 2020
486. Managing PCOS resistant to oral ovulogens - Updates on Fertility Management December 2020

487. LPS in FET cycles at “Articulating IVF “ January 2021
488. LPS in ART at FOGSI ICOG National Conference on Non Communicable Diseases in Ob-Gyn, February 2021
489. PCOS, Obesity ad ART – Optimizing outcome at SAIDP Annual conference March 2021
490. How do we assess the optimum endometrial parameters in FET cycle at Masterclass on Freeze all organized by PCOS Society of INDIA March 2021

491. Panel on Enhancing success in Infertility - POGS – STAR conference. Pre-congress workshop April 2021
492. Interpretation of systemic review and meta-analysis at IMS education committee webinar May 2021
493. Managing poor responders - Webinar on 19th May 2021
494. Freeze for all - What is the Evidence? - at ORIGYN conference June 2021
495. Optimising BMI in PCOS - at ORIGYN conference June 2021
496. Managing Sub-Fertility based on Ovarian Reserve – CME on 11th June 2021
497. Recurrent Miscarriage – Practice Points on Current Recommendations CMe on Implantation on 24th June 2021
498. Downregulation of Pituitary - GnRH agonist/Antagonist Progesterone ASPIRE Webinar June 2021
499. Fertility Preservation in young Cancer survivors – Current scenario AT Nagpur Ob/Gy Society Meeting July 2021
500. Handling Thin Endometrium - Innovative Medical Treatment ASPIRE SIG Implantation Webinar on 22nd July 2021
501. Understanding the origin of PCOS – ICOG weekend course on PCOS 28th August 2021
502. Are lean and obese PCOS different? ICOG weekend course on PCOS 29th August 2021
503. Moderator for ASPIRE Webinar on Environmental Toxins and Their Effects on Reproduction on 9th September 2021
504. Increasing efficacy and reducing complications - ICOG weekend course on PCOS 18th September 2021
505. FP and enhancement in women with non-malignant disease - The source of oocytes for IVF treatment At ASFP Annual Conference in September 2021
506. Fertility Preservation In Pre-pubertal And Adolescent Patients For the motion At Debate at the ASFP Annual Conference in September 2021
507. Integration of FP in oncological services at an international online conference from Japan 7th October 2021
508. Gynaecological cancers in PCOS 6TH Annual Conference on 2nd October 2021

509. "Indian National Guidelines" for Stem Cell Research-what we need to know? Fertilisation 2021 on 5th December 2021
510. Early Pregnancy Loss following IVF Conception – ART Factors Fertilisation 2021 6th December 2021
511. Fertility Preservation in Cancer Patients - An Overview Yuva ISAR 2021 at Kolkata December 2021
512. OI in Cancer Patients Fertiprotect 2021 in December 2021
513. "Indian National Guidelines" for Stem Cell Research-what we need to know? ISF workshop 2021 on 5th December
514. LH bioactivity in COS: Deep dive into molecular dynamics- Virtual LH conclave 29th January 2022
515. Genetic Selection – PGT-A AND PGT- SR in RIF – Fusion - Conference of ESHRE, IFS and ISAR 4th February 2022
516. Moderator for Panel – Fertility Enhancing surgery Fusion - Conference of ESHRE, IFS and ISAR 5th February 2022
517. Whether to Freeze Cleavage Stage Embryos or Blastocyst? Embryology ISAR 2022 at Raipur 25th March 2022 at Raipur 25th March
518. Panelist for Panel on OI at Embryology ISAR 2022 at Raipur 25th March
519. Recurrent Miscarriage – Practice Points on Current Recommendations March 2022
520. Panel on PCOS. – Endocrinology Meeting at Chennai 2nd April 2022
521. Role of hCG in OI at. AICOG 2022, Indore on 6th April 2022
522. Optimizing success in fertility treatment in PCOS – W3 Webinar of PCOS Society 16th April 2022
523. Multidisciplinary approach to management of PCOS – Nepal online CM<E on PCOS organized by AOFOG - 23rd April 2022
524. Handling Thin Endometrium - Innovative Medical Treatment - ASPIRE annual conference 28th April 2022
525. Managing Ovarian stimulation in difficult Situations - Hyper-responders as in PCOS – ASPRE annual conference April 2022 on 28th April 2022

526. Preparing for ART in patients with PCOS: What is the evidence? ASPRE annual conference April 2022
527. Enhancing Endometrial Receptivity in Recurrent Implantation Failure – ASPRE annual conference 29th April 2022
528. W3 Webinar on PCOS – Moderator 6th May 2022
529. Pathophysiology of PCOS – Association of gynaecological consultants annual conference Mumbai 8th May 2022
530. Have we mastered implantation yet? How to upgrade yourself to tackle RIF? LIFE conference 15th May 2022
531. Implications of ART act on IUI clinics – BSOG CME 22nd May 2022
532. Gonadotropins for Ovulation Induction - ISAR regional meeting 28th May 2022
533. Role of LH in fine tuning folliculogenesis – Regional conference of ISAR Varanasi 5ht June 2022
534. Premature Ovarian Insufficiency - An Indian scenario at. A webinar on 12th June 2022
535. Panel Discussion on Ovulation at ICOG annual conference on 18th Jube 2022at Navi Mumbai
536. Moderator for Science Live session of The PCOS. Society 16th July 2022
537. Adolescent PCOS - SAFOG webinar on 24th July 2022
538. Hypothyroidism as DD of PCOS at ASPIRE Webinar on PCOS - A diagnosis of exclusion on 26th July 2022
539. Ovarian stimulation and its difficulty in endometriosis Webinar by Manipal Hospital Manipal on 4th August 2022
540. OI for IUI – Webinar on 14th August 2022
541. The old IVF patient: An evidence-based approach at 26th Annual conference of ISAR on 26th August 2022
542. Convenor for workshop on Preserve Today to Reap Tomorrow Oocyte and Ovarian Tissue Cryopreservation Hand-on Workshop at 26th Annual conference of ISAR on 26th August 2022

543. PCOS, Obesity and ART - Optimizing outcome: at 26th Annual conference of ISAR on 27th August 2022
544. Genital Tuberculosis- Should the male partner be screened at 26th Annual conference of ISAR on 28th August 2022
545. Fertility preservation In turner syndrome and other gonadal dysgeneses at 26th Annual conference of ISAR on 28th August 2022
546. OI in Cancer patients Yuva ISAR 2022 on 10th September 2022
547. Fertility Preservation in Cancer Patients - An Overview at KASOGA Annual Conference Hubli on 24th September 2022
548. "Fertility Preservation In Cancer Patients" KISAR Annual Conference 11th September 2022
549. What is the optimum endometrium needed for implantation? 7TH Annual Conference on 16th September 2022
550. Should Serum AMH replace PCOM as a diagnostic marker? 7TH Annual Conference on 17th September 2022
551. OI in PCOS ICOG Masterclass on PCOS
552. Management of Infertility in PCOS - ICOG Masterclass on PCOS
553. Moderator Panel Discussion - Fertility Preservation in Oncological conditions at ISFP congress at Brussels 11th November 2022
554. Role Of Immunological Testing for Subfertility in Clinical Environment: Fertivision 2022 IFS Annual conference 9th December 2022
555. Convenor for workshop on ovarian tissue cryopreservation at Fertiprotect 2022 Annual conference of FPSI 16th December 2022
556. Ovarian stimulation protocols in cancer patients. at Fertiprotect 2022 Annual conference of FPSI 17th December 2022
557. Reproductive Health In Cancer Survivors How To Assess And When To Intervene? Role Of AMH In Oncofertility? International Conference on Fertility Preservation January 2023
558. Different Strategies to prepare Endometrium for FET AICOG Kolkata 2023 Annual Conference of FOGSI 5th January 2023

559. The Old IVF patient: Evidence base approach – 3rd February , Annual Conference ISAR 2023, Bhopal
560. Fertility Preservation in Gynaecological Malignancies – 4th February Annual Conference ISAR 2023, Bhopal
561. Panel Discussion - Challenges of OI in the Infertile PCOS Moderator -4th February Annual Conference ISAR 2023, Bhopal
562. Endometrium Preparation for FET – at Origyn 3.0 on 5th February 2023
563. Conducted a hands-on course in Ultrasound in Infertility with following lectures followed by hands on training on 10th and 11th February 2023
- Baseline scan in Infertility
 - Physiology of Ovulation
 - OI in Non- ART cycles
 - Use of GTs in non-Art and ART cycles
 - Monitoring ovulation Induction cycles
 - When to cancel IUI and convert to IVF
 - Setting up of an IUI Clinic
564. Convenor for ASPIRE webinar on Luteal phase revisited 21st February 2022
565. Moderator Panel Discussion - Endometrium Preparation for FET – 25th February 2023 at Masterclass on ART by PCOS Society India
566. Panelist: Increasing efficacy and Safety of controlled ovarian stimulation in PCOS 25th February 2023 at Masterclass on ART by PCOS Society India
567. Stimulating a Patient with PCOS for ART - Challenges and solutions
